*To Joseph and James Balistreri, Balistreri Realty,*

*It is our greatest pleasure to share with you both a wonderful experience with one of your employees. After being lucky enough to find Lighthouse Point in our search for our Florida home we were even luckier to find Erica Davey. She has not only shown her truly incredible ability as a broker, but has also gone above and beyond the call of duty in every manner. We hope that your company appreciates her and her abilities as much as we do. She is truly a "gem".*

*Sincerely,*

*Beth and Kevin Layfield*
